

AUSTIN WATER UTILITY

Awards

For Excellence in:

Drinking Water Protection

- ◆ **Dorothy Evans — Westgate Condominium Association (Oak Hill)** Dorothy Evans has shown a commitment to water protection by consistently having the backflow preventers in the 25-story Westgate building tested on time every year.
- ◆ **The Employees of Avery Ranch Golf Club** The employees of Avery Ranch Golf Club took steps to have the required backflow preventers installed and to have the customer service inspection performed immediately upon learning of our requirements for using an auxiliary water irrigation system.
