

Request for Irrigation Variance for Athletic Fields

This variance request is to use an automatic irrigation system during the hours of 10am – 7pm with an underground irrigation system. The irrigation system may only be used to suppress dust on the infields before games. This variance does not allow for irrigation of turf areas unless incidental to the infield head/zone locations. This notice must be received at least one day before irrigation is to begin.

Effective Date: _____

Property Name: _____

Organization: _____

Property Manager or responsible person: _____

Title: _____ Phone number: _____ Cell: _____

Address: _____ City: _____ Zip: _____

Email: _____

Signature: _____ Title _____

Print Name _____ Date _____

This variance expires September 30, 2009.

This notice does not exempt the property owner/manager from complying with the waste of water provisions of Section 6-4 of the City Code.

You will be contacted within 5 business days of receipt with notification of approval or denial of this application. No citations will be issued for provisions covered by this variance while the application is pending.
