## SCRAP BASKET REBATE PROGRAM GUIDELINES

The City of Austin's Water Conservation Program and Austin Energy offer rebates for the REMOVAL OF EXISTING GARBAGE GRINDERS AND INSTALLATION OF A SCRAP BASKET SYSTEM IN ITS PLACE. The rebate is comprised of two parts, water and energy. The maximum combined water and energy rebate possible is \$300.

**Water Rebate** (You must be an Austin water customer or the customer of a utility that purchases all of its water from Austin to receive this rebate) (Call 974-2893 or 974-3535 if you have questions) The rebate is equal to \$50 per horsepower up to half the cost of the scrap basket system but not to exceed a total of \$250.

**Energy Rebate** (You must be an Austin Energy customer to receive this rebate) The rebate is equal to \$40 per horsepower of the garbage grinder replaces not to exceed half the cost of the scrap basket system.

Program guidelines and rebate amounts are subject to change.

**Instructions:** *Call the City of Austin Water Conservation Program at 974-2893 or 974-3535 and arrange for a site visit by Conservation staff.*

*This form must be completed, submitted, and approved by the City*  
**PRIOR TO PURCHASE OF THE NEW SCRAP BASKET**

- The rebate is for the replacement of a garbage grinder with a scrap basket system.
- Complete all sections of this application, except the section labeled "City Use Only".
- The old garbage grinder must be inspected by City of Austin's water conservation staff prior its removal from the premises.
- After installation of the scrap basket system, a final inspection of the scrap basket system by City of Austin's water conservation staff will also be scheduled.
- Read and sign this Customer Agreement and mail the completed application to:

### CUSTOMER AGREEMENT

**In order to receive the scrap basket system rebate, I agree to the following terms and conditions:**

1. I will keep the scrap basket system installed and operating at an address within the service area of the utility for which I received a rebate for a period of **at least five years and to not reinstall a garbage grinder.**
2. I understand that before I receive the rebate, pre and post inspections will be conducted. Inspections will be scheduled during normal working hours. The scrap basket must be installed and operating at the time of the final inspection.
3. I agree to complete a follow up questionnaire about the project.
