Receipt of this notice by Austin Water Utility allows the applicant to irrigate with a permanently installed irrigation system between the hours of 10:00 a.m. and 7:00 p.m. (City Code Section 6-4) The notice must be received at least one day before irrigation is to begin.

**This notice does not exempt either the landscape installer or the property owner/manager from complying with the waste of water provisions of Section 6-4 of the City Code.**

**For year round applications, this variance expires September 30, 2008.**

**For year round applications, you will be contacted within 5 business days of receipt with notification of approval or denial of this application. No citations will be issued for provisions covered by this variance while the application is pending.**
