This request is to allow the applicant to irrigate sections of the property in addition to the Tuesday or Friday schedule. **A site map and written schedule must be submitted at the time of application.** A variance granted under this subsection may allow the applicant to water each section no more than one time per week. Variances will be granted for large properties that cannot completely water the entire property in a single day due to system constraints.

This notice does not exempt either the landscape/irrigation company or the property owner/manager from complying with the waste of water provisions of Section 4-2-51 of Chapter 6-4 of the City Code, nor does it permit watering between the hours of 10 a.m. and 7 p.m.

I have submitted the required information, site map, and proposed irrigation schedule for the property above.
