Receipt of this notice by Austin Water Utility allows the applicant to irrigate a newly installed landscape according to the following schedule:

- Day 1 through day 10 after installation: every day at any time
- Day 11 through day 20: every other day, before 10 am or after 7 pm
- Day 21 through day 30: every third day, before 10 am or after 7 pm

Please attach a site map and/or description of where on the property the new landscape is being installed.

New Landscape means vegetation:

- (1) installed at the time of the construction of a new house, new multi-family building or new commercial building,
- (2) installed as part of a governmental entity's capital improvement project, or
- (3) which alters more than one-half of an existing landscape.

Variations will not be granted for seasonal color beds or temporary grass installation (overseeding).

This notice does not exempt either the landscape installer or the property owner/manager from complying with the waste of water provisions of Section 6-4-63 of the City Code.

You will be contacted within 5 business days of receipt with notification of approval or denial of this application. No citations will be issued for provisions covered by this variance while the application is pending.
