

Central West Austin

October 8 Decisions

At the October 8th meeting, options for the following two areas were presented, discussed and decided upon.

1. Deep Eddy commercial area

- Neighborhood Commercial

Staff presented the single option that we felt best reflected the current uses, zoning, and other regulations (such as the Drinking Water Protection Zone), and the stakeholders affirmed it.

2. One parcel north of Lake Austin Blvd along Deep Eddy and Upson

- Single Family
- Office

The group chose to keep these two parcels as Single Family.
