

1) If code enforcement issues were not a problem in SJ/CH, what would your community look and feel like?

Top Themes for Code Enforcement:

- Increased patrol presence – Code Enforcement and Austin Police Department
- Increased collaboration between APD and AISD police
- Better response time from APD
- Better recognition from the City of Austin

2) What would a safe neighborhood look or feel like to you?

Top Themes for Public Safety:

- More lighting to make it safer
- Better signage and no graffiti
- Gateways and markers to mark different neighborhoods

3) What would the community life aspect of this neighborhood look like 20 years from today?

Top Themes for Community Life:

- Best schools and education
 - Everyone would get to know their neighbors – block parties, welcoming committee for new residents
 - Neighborhood association that would enforce rules and organize cleanups
 - More eyes on the street
 - Youth center for youth in the neighborhoods to recreate
 - Neighborhood association that enforces rules and organizes clean-ups
-

Other comments:

Police:

- There would be more collaboration between APD and AISD police staff
- Streets would be free of substance abusers and dealers

Education:

- Kids would be able to walk to schools
- Schools would have the best teachers
- Family planning education provided to families in need
